

Trade Direct U.S. Destination Warehouse Services Fee Schedule

(fees are subject to change)

UPS Supply Chain SolutionsSM

Trade Direct cross dock is defined as any logistics activity that attempts to reduce cost and total lead time. These activities include breaking down received items on the dock of 10 SKUs, sorting, and immediately matching them with outgoing shipment requirements, instead of stocking the items in warehouse locations and returning to pick orders at a later time. UPS Supply Chain Solutions-Trade Direct provides the first five (5) days free of storage charges. Please note that this is a non-warehousing account. If the account profile changes to require that any of the activities listed below are performed on a regular basis, project scope will need to be reviewed and pricing may be impacted. The following fees may be assessed:
